7 GRADUATION

This is a sudden personal note, but I finally graduated from college!! Yay~~!!
Oh, man, until I received my certificate, I had doubts that I had a sufficient number of credits. But... phew~ This means that I passed (CLEARED?!) all of the courses I was hoping (PLANNING!) I would. This means... I'm not sure what to do with myself now. <wry grin>" While I was enrolled, I was allowed to realize my dream of dancing, but my plans after graduating create a somewhat painful circumstance.^_^ Occupations dependent on public favor are... really strict and difficult.^_^ I'm fumbling around, but it would be nice if I could make progress using all my might....

8 MY VOICE

Hello. I'm Kanna.
That's my opinion these days
Then I don't place importance on be my consciousness of it
I've always led a natural existence

That was the day before graduation.

No chance of it being the symptoms of a cold. Why!? And then, the day of graduation.

At any rate, to the pharmacy!! Since this is graduation, and it may be the last time I see everyone, don't I want to do a lot of talking!?

DON'T KILL ME LIKE THAT 9

After that even a doctor told me that not talking was the most important thing. ∴ Continued in 9 →

Yeah!
LET'S GO GET SOME BARLEY TEA NEXT!

It's "SHE" Who Is Truthful !!

As of now I want to send applause to my determined self of that time

She did the right thing !!

Presently a college sophomore

Until then Kanan had vainly submitted her written works to other publications but after much anguish and deliberation she submitted it to New-Comi

Suhmissions 13
Suhmission experience 8 years

Her fine work won the grand prize in the 44th annual New Faces in Comics contest.

Yes... What does this work conceal?

It's my Kanan's debut work.

For some reason there's → a distant look in her eyes

Right now I feel like drawing this couple this way. By the way Takeuri-sempai is too much of a charming man... Shouldn't he be younger...?

Once it was all over... It became a work that served as a meaningful memory

<sorry gr n>

Somehow the image seems to be burned into my eyes

Plate

Sink

Every where one looked (especially the white areas) there were spots from the netted tones!

It is safely submitted to the post office

After that, I became aware of a mistake

EEEk!

This is me on the day of the New-Comi application deadline 3/31 frantically applying tones

STRANGE PLAY
